

PAYMENT TERMS AND CONDITIONS

1) FEES

- a) All charges for sessions and services are outlined in our Fee Schedule, available on our website or as a downloadable PDF upon request.
- b) A complimentary first session of up to 30 minutes is offered to new clients. All subsequent sessions are charged at the published rates.
- c) Your appointment confirmation email will outline the fee for your booked session (business hours or after hours), or fees will be as discussed and agreed between you and your clinician.
- d) Fees are based on the allocated session length in the Fee Schedule. Sessions that end early at the client's request are charged at the full session rate. If a clinician must end a session early for reasons unrelated to the therapeutic process, the session will be rescheduled without prejudice.
- e) Fees are payable before or at the time of the appointment via cash, credit/debit card, EFT, **Medicare rebate processing**, or **HICAPS Digital** (for eligible private health funds). Invoicing can be arranged with prior agreement. If you require alternative payment options, please discuss this with us.
- f) Medicare rebates are processed after full payment of the session fee. If eligible, your rebate will be submitted electronically and returned to your nominated bank account. Medicare rebates cannot be claimed for cancelled sessions, couples counselling, supervision, court attendance, or non-clinical reports.
- g) Private health rebates may be available depending on your fund and level of cover. Thoughtful Connections offers **HICAPS Digital**, allowing eligible clients to pay the full session fee and have their rebate processed electronically. Refunds are typically returned within 24–48 hours. Private health rebates cannot be claimed in combination with Medicare for the same session.
- h) We encourage clients to reach out if experiencing financial stress. Fee reductions or alternative arrangements may be considered on a case-by-case basis.
- i) Fees for Professional Supervision, Training, Consultancy, Court Attendance, Specialist Briefings and Report Writing attract GST at the current rate of 10% when applicable.
- j) Home visits and face-to-face appointments conducted away from the clinic incur an additional \$30 service fee, plus return travel charged at the current ATO cents-per-kilometre rate. Travel costs will be confirmed prior to booking. Appointments are available within a 60-minute travel radius of our Mt Gravatt clinic.
